

# ICC IS-LOG STRUCTURE CONSENSUS COMMITTEE

The first meeting of the  
ICC Consensus Committee on Log Structures  
will be reconvened March 13, 2017.

---

---

## - MEETING NOTICE -

---

---

The Tuesday, February 21, 2017 telephone conference recessed at 4:45pm CT and is scheduled to reconvene March 13, 2017 at Noon CT.

The telephone conference will begin March 13<sup>th</sup> at Noon Central Time and will last approximately 4 hours.

The purpose for this telephone conference is for the IS-LOG committee to complete the consideration of public input that has been submitted from the 2015 Call for Proposals on the 2012 edition of the ICC 400.

The tentative agenda will be posted on the ICC website at <http://www.iccsafe.org/codes-tech-support/codes/code-development-process/standards-development/is-log/>.

The Consensus Committee on Log Structures (IS-LOG) shall have primary responsibility for minimum requirements to safeguard the public health, safety and general welfare through design, construction, and installation requirements for log structures. The requirements contained in the International Codes pertaining to these situations shall be incorporated into the standards developed by the IS-LOG CC.

All meetings are open to the public.

If you plan on attending the telephone conference, please contact Edward Wirtschoreck, Committee Secretary, for the required dial-in information.
