

FINAL ACTION RESULTS ON THE 2019 PROPOSED CHANGES TO THE INTERNATIONAL CODES – GROUP B

This contains only corrections. Updated 4/20/2020

The following is a comprehensive list of the Final Action on the 2019 Proposed Changes to the 2018 Edition of the *Administrative Provisions, International Building Code (Structural), International Energy Conservation Code (Commercial and Residential), International Existing Building Code, International Green Construction Code (Chapter 1), and International Residential Code (Building, Energy)* as designated in the “Group A and Group B Code Development Committee Responsibilities” matrix as posted on the ICC Website. Also included are a limited number of changes to the *International Building Code (Fire Safety, General), ICC Performance Code and International Plumbing Code* based on the Responsibilities matrix. This includes the items considered at the Public Comment Hearings in Las Vegas, NV, **October 23 – 30, 2019**. The final action was determined based on the Online Governmental Consensus Vote (OGCV) held **November 19 – December 6, 2019**. Approved changes from the 2019 Code Change Cycle will be published in the 2021 I-Codes. See page 12 for results of the OGCV.

In accordance with Section 12.1 of CP28 Code Development (see below), any person may file an appeal in accordance with Council Policy 1 Appeals ([link](#)). In accordance with Section 6.3.7 of CP1, the review by the Appeals Board shall be limited to matters of process and procedure and not the relative merits of technical matters. CP1 provides the details for appeal submissions. Section 3.1 of CP1 requires appeals to be received within 30 days of the posting of this document. Accordingly, the appeal deadline is May 11, 2020.

12.1 Right to Appeal: Any person may appeal an action or inaction in accordance with Council Policy 1 Appeals. Any appeal made regarding voter eligibility, voter fraud, voter misrepresentation or breach of ethical conduct must be supported by credible evidence and must be material to the outcome of the final disposition of a code change proposal(s).

The following actions are not appealable:

1. Variations of the results of the Public Comment Hearing compared to the Final Action result in accordance with Section 10.4.
2. Denied requests to extend the voter balloting period in accordance with Sections 5.7.4 or 8.3.
3. Lack of access to the internet based online collaboration and voting platform to submit a code change proposal, to submit a public comment or to vote.
4. Code Correlation Committee changes made in accordance with Section 11.2.
