SUBJECT: Letter of Recommendation – Allison Cook – Candidate for International Code Council (ICC) Board of Directors

Dear ICC Nominating Committee,

It is with great pleasure that the Florida Suncoast Chapter of ICC and the Building Officials Association of Florida wholeheartedly endorse and support Ms. Allison Cook's candidacy for the ICC Board of Directors. Through her education and ICC certifications, she possesses a deep understanding of building codes, regulations, and industry best practices. Her comprehensive knowledge and expertise have been invaluable in ensuring compliance and safety standards in her current role as Commercial Plans Examiner for the City of Arlington, VA.

Allison has a proven track record of effectively coordinating efforts and facilitating productive discussions within ICC. I have had the privilege of working directly with Allison with the Emerging Leaders Membership Council (ELMC). While she was Chair, she approached every task with integrity, diligence, and meticulous attention to detail, earning the respect and admiration of her peers and colleagues. Her service on the ICC Building Code Action Committee (BCAC), ICC Existing Building Committee Action Hearing (CAH), ICC Exam Development Committee (EDC), ICC Charter Review / CP-9 Revision Committee, and resulting Steering Committee Vice Chair, ICC Building Membership Council, ICC Emerging Leaders Membership Council, and ICC Board Shadow shows her genuine passion for advancing building safety and promoting excellence within the industry.

We believe that Allison will make a significant contribution to the future of ICC. Once again, we strongly recommend and endorse Allison Cook for the ICC Board of Directors.

Sincerely,

JC Hudgison

President, Florida Suncoast Chapter of ICC & BOAF
