Dear Chairman Wich:

I am writing to express my strong support of Steven L. McDaniel and his nomination and election to the International Code Council (ICC) Board of Directors' Secretary/Treasurer position.

I have lived in the City of Corning for more than for more than 15 years and have seen firsthand the positive impact that Steven has had on our community. He has spent his entire career selflessly dedicated to ensuring our community has the necessary resources, tools and knowledge to address safety issues throughout the city and region.

His professional and personal life have been intertwined since 1995 culminating into a strong persona displayed through his leadership and experience. Steven has always been fully engaged in our community and when I look at someone's character, I look at actions. The numerous Board's and Organization's that he has served on and continues to serve on, provide demonstrable evidence of his life's commitment to improving his community.

Knowing that Steven has been a member of the Board of Directors' of the International Code Council since 2018, I am confident you are fully cognizant of Steven's commitment and dedication to serving his community, region and country. Having the opportunity to serve as the Secretary Treasurer of ICC will enable him to be more directly involved and actively assist with the Mission of ICC.

I appreciate the opportunity to contact you and wish to reiterate my strong support for and I am hopeful that favorable consideration is given to Steven L. McDaniel's nomination and election to the International Code Council (ICC) Board of Directors' as Secretary/Treasurer.

Sincerely,

Philip A. Palmesano
