Re: 2024 Nominating Committee Candidate Consideration

Distinguished Members of the Nominating Committee,

I ask that you accept this letter as my formal intent to seek re-election to the International Code Council Board of Directors during the 2024 Annual Business Meeting in Long Beach, California. My first term serving on the Board of Directors of the International Code Council was an honor and I aspire the continue to serve the organization and our members.

The jurisdiction for which I serve is in full support of my efforts to seek re-election, they understand the impact the ICC has on our society, and are supportive of my continued service at the highest level.

For your review I have attached a copy of my resume which describes my history in the profession as a Building Official and as a municipal employee. Having nearly 14 years in the industry I feel as though my dedication and relentless work ethic have allowed me to rise quickly and accomplish much at the local, state, and national level.

It will be an honor to continue representing the members of the International Code Council as a Board of Director. Please feel free to reach out to me at any time at (207) 478-8732 or benjamin.breadmore@gmail.com, I would be more than happy to discuss why I believe I am a worthy candidate.

Best Regards,
