Re: Election of Benjamin R.K. Breadmore to ICC Board of Directors

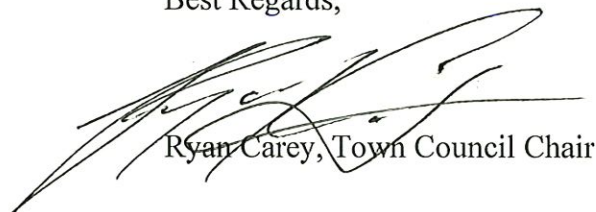

To Whom it may concern:

I write to you to express the jurisdictional support of our Chief Building Official and Town Manager, Benjamin Breadmore in his effort to run for re-election to the International Code Council (ICC) Board of Directors. Benjamin has served the Town of Holden for 14 years in his capacity as a Building Official and for over 9 years in his role as our Town Manager. During that time our community has experienced and unprecedented growth of 38.5%, all of which he has overseen due to his dual role. We are very pleased to have him as a leader in our community and we have been proud to see him represent the Town Holden in his service to local, state, and national boards over the years.

Our community is aware of the time commitments and activities required of Board members throughout the tenure and we fully support those efforts. We recognize the experience and benefits being a Board of Director provides to Mr. Breadmore and we have no doubt the skill set he brings to the table will continue to enhance the organization of ICC.

As such, we are pleased to endorse Mr. Breadmore's run for re-election to the ICC Board of Directors and his continued support for its mission, vision, and goals. If I can be of any further assistance, please do not hesitate to contact me at 207-570-7774.

Best Regards,

Ryan Carey, Town Council Chair
