**Re: Support of Benjamin Breadmore, ICC Board of Directors**

Chairman Wich,

On behalf of ICC Region VI, Northeast Region Coalition (NERC), which represents code professionals, design professionals and construction industry experts of Connecticut; Massachusetts; Maine; New Hampshire; New York; Rhode Island and Vermont, we express our support for Benjamin (Ben) Breadmore for Director, Section E to the International Code Council's Board of Directors.

Ben has proven his value as a resource for the Northeast Region and his continued involvement to the ICC Board will be to the benefit of all members of ICC. Ben is past Chairman of the Emerging Leaders Council and it is his ability to connect with the next generation of code officials that is an asset to the ICC Board of Directors. Ben is a current At-Large member of the ICC Board of Directors as well as a faithful contributor to our ICC Region VI Board of Directors and our Region VI Code Development Committee.

ICC Region VI unanimously supports Benjamin Breadmore for Director, Section E to ICC's Board of Directors. We are confident Ben will demonstrate his capabilities with supporting the members of our organizations and being a positive representative for the International Code Council.

Respectfully,

*William A. McKinney*
