Re: Christina Jackson, PMO, CZA
ICC Board of Directors Candidacy

Dear Chairman Wich,

I enthusiastically offer my support for Mrs. Christina Jackson's candidacy for the International Code Council's Board of Directors.

I have worked with Mrs. Jackson for eighteen years since I recruited her to the City of Newport News in 2006 as a Property Maintenance Inspector. Since that time, she has developed into a professional in her field and has established an outstanding record of meritorious service to her community, state and profession. Along with others, she helped create the organization Women In Code Enforcement and Development (WICED), she served on the Board of Directors for WICED and Permit Tech Nation and worked as an advisor to the ICC Military Families subcommittee. Aside from her record of service to the cities of Newport News and Norfolk, what I am most appreciative of is her commitment to train and mentor those entering the code enforcement profession. Her service and commitment help to ensure its growth, development and diversification.

I understand the significance of serving on the ICC Board of Directors and I consider it an honor to provide this endorsement of her participation.

Sincerely,

Harold L. Roach, Jr.
Director
