From: CAPT Ian A. Brown, USN, 1820

To: Mr. Michael P. Wich, ICC Nominating Committee Chairman

Subj: LETTER OF RECOMMENDATION

I am honored to offer my complete and unwavering recommendation of Christina Jackson for the position of Board Director for the International Code Council. I had the privilege of working with Mrs. Jackson while she served as my command Ombudsman at Tactical Communications Command TWO from April 2020 to February 2021. She was an invaluable asset to myself, the command members, and all their families. I know her to be a trusted confidant who can resolve highly complex and sensitive issues in any situation or environment.

Christina Jackson has an analytical mind, is an excellent communicator, and an all-around professional to work with. Her highly confident and assertive communication style compliments her astute leadership qualities. She was able to masterfully foster a family-type environment across my command and Fleet and Family Support, bringing the needed resources to Sailors and their families, a testament to her ability to balance professionalism with personal caring.

She is nothing less than extraordinary, and I have the utmost confidence that she is capable of any task that she sets her mind to. I whole heartedly, and without hesitation, recommend her for this board position.
