RE: IDAHO PERMIT TECHNICIANS CHAPTER ENDORSEMENT OF CHRISTINA JACKSON

Dear Mr. Coffman and Nominating Committee:

As a representative of the Idaho Permit Technicians (IDPT), I am very pleased to endorse the candidacy of Ms. Christina Jackson and her election to the 2024 International Code Council Board of Directors as Director at Large.

With her conviction, accomplishments, and qualifications, Ms. Jackson's participation with the International Code Council organization speaks for themselves in representing her knowledge, commitment, and overall understanding of the issues our industry faces every day. Her constant desire to be an advocate for code enforcement and be a founding member of Women in Code Enforcement and Development of Virginia and be a board member of PermitTechNation encourage the growth of the International Code Council is very remarkable.

Additionally, Ms. Jackson recognizes our contributions as Permit Technicians and Code Officials and is always willing to help in any way. She has been an active member of PermitTechNation, arranging podcasts to continue educating individuals of the importance of codes and help this ICC Chapter continue to grow. Her drive, passion, and positive attitude for the industry truly does make her an asset to all permit techs nationally, Women in Code Enforcement, ICC, and most importantly the public we serve.

Ms. Jackson's ambition to continue thinking of new ways of promoting PermitTechNation members, chapters, and the International Code Council, along with her dedication to her country, makes her the best candidate for this position. IDPT is confident that Mrs. Jackson's resourcefulness, intelligence, and enthusiasm will make her successful as a Board Member of the International Code Council Board of Directors.

Sincerely,

Bobbi Kaufman, President Idaho Permit Technicians
