Dear Mr. Wich,

I am writing to offer my support for Christina Jackson's candidacy for the International Code Council (ICC) Board of Directors. As the Delegate for Virginia's 93rd District, I have had the privilege of witnessing Christina's unwavering dedication to the betterment of our communities through her work as Senior Codes Compliance Inspector for the City of Newport News. Her commitment to public safety is not just a job but a calling, and her extensive experience in code enforcement makes her an outstanding candidate for this role.

Christina has been a critical figure in Virginia's leadership in developing and implementing strong building codes, ensuring our communities remain safe and resilient. Her involvement with the ICC's mission to provide essential tools and resources to building safety professionals aligns perfectly with her passion for public service and her dedication to advancing the next generation of code officials. Her vision of ensuring the highest standards in building safety is one that I fully support.

Her leadership, professionalism, and collaborative spirit will be an asset to the ICC Board of Directors. Christina brings a wealth of knowledge, a strong work ethic, and a deep commitment to the mission of the ICC. I am not just hopeful but confident that she will contribute significantly to the ongoing development and success of the ICC.

I strongly urge you to consider Christina Jackson as she seeks to serve on the ICC Board of Directors. Her passion, experience, and commitment to public safety make her an ideal candidate. Thank you for your time and consideration.

With gratitude,
