Dear Mr. Wich:

WICED of VA Board of Directors at its May 2024 board meeting endorsed the election of Christina Jackson for an At-Large position on the ICC Board of Directors.

Mrs. Jackson displays a level of professionalism and a broad range of experience in the building codes and her dedication to the development of those codes makes her an extraordinary candidate to serve on the ICC Board of Directors. As an ICC member, WICED of VA founding member and chapter past president, numerous ICC chapter board of director affiliations, and the Senior Code Compliance Inspector Supervisor for Newport News, Virginia; with over two decades of code enforcement experience, Christina has a vast wealth of knowledge in code and the code development process.

Mrs. Jackson's primary role as the Code Compliance Inspector Supervisor in Newport News, VA, is to direct and provide daily strategic management for her department. She works to develop and implement policy to provide effective building safety regulatory services in the City of Newport News. Mrs. Jackson also actively participates in the code development process at the state and national levels, and currently sits on the State Technical Review Board, a position appointed by the Governor of Virginia.

WICED of VA has found Mrs. Jackson's dedication to code development in Virginia invaluable. Mrs. Jackson has been a long supporter of our organization which supports women in the code profession industry. We have no doubt that Mrs. Jackson's outstanding leadership qualities, passion for the next generation of code professionals, and code knowledge are and will continue to be a true asset to the International Code Council and its stakeholders. WICED of VA is honored to support one of our own and would greatly appreciate your consideration of Mrs. Jackson to serve as a member of the ICC Board of Directors.

Sincerely,
DocuSigned by:
