Mr. Michael P. Wich, Nominating Committee Chairman
International Code Council, Birmingham District Office
900 Montclair Road
Birmingham, AL 35213

RE: WASHINGTON STATE ASSOCIATION OF PERMIT TECHNICIANS CHAPTER ENDORSEMENT

On behalf of the Washington State Association of Permit Technicians, it is with great pleasure and enthusiasm that I extend our full support to Ms. Christina Jackson in her candidacy for an at-large position on the International Code Council (ICC) Board of Directors.

Christina's extensive experience and unwavering dedication to the field of code enforcement and development are truly commendable. Her contributions as a founding member and past president of Women in Code Enforcement and Development of Virginia (WICED-VA), as well as her role as a board member of PermitTechNation (PTN), demonstrate her commitment to fostering diversity and inclusivity within our profession.

Moreover, Christina's passion for education and mentorship, exemplified through her tenure as an adjunct professor at Tidewater Community College, underscores her commitment to nurturing the next generation of code professionals. Her involvement in the ICC Technical Training Program speaks volumes about her dedication to equipping individuals with the knowledge and skills necessary for success in our industry.

As Christina articulates in her candidacy statement, her vision for the ICC aligns perfectly with the organization's values and objectives and we believe that her leadership will be instrumental in advancing its mission and serving the needs of members worldwide.

If elected, she will undoubtedly bring a wealth of expertise, energy, and fresh perspectives to the ICC Board of Directors, and we have full confidence in her ability to represent the interests of code officials as she endeavors to make a positive and lasting impact on the future of our profession. It is for all these reasons, and more, that we wholeheartedly endorse Ms. Jackson's candidacy for the ICC Board of Directors

Sincerely,

Tela Gardner

Tela Gardner, President
Washington State Association of Permit Technicians
