Distinguished Nominations Committee Members:

Please accept this letter as my formal request to the 2024 Nominating Committee to be considered for the position of President of the Board of Directors for the International Code Council at the 2024 Annual Business Meeting in Long Beach, CA.

It has been an honor to serve this past year as Vice President and serve on the Board of Directors of the International Code Council for the past seven years. I have been fortunate during this time to serve on several committees as well as the Executive Committee for the past two years. I feel that this has prepared me for the next step of seeking the position of President. It is a major commitment to serve on the ICC Board of Directors and an even greater commitment to serve on the Executive Committee and as President. I am fully aware of this responsibility and am committed to meeting those expectations.

I have worked diligently throughout my service on the Board of Directors to continue to educate myself on all the issues to make decisions that best serve the organization, along with the membership, and desire to continue to do so in the President's role.

I would consider it to be an honor to continue to serve the members of the International Code Council and the organization in this role. I appreciate the Committee's consideration and seek your recommendation to the position of President for the ICC Board of Directors.

Please feel free to contact me by phone at (509)760-8867, or by email at either my personal email baseballgame14@gmail.com or my ICC email dspencer@iccsafe.org. I thank you for your consideration and I look forward to seeing the Committee in St. Louis.

Respectfully,
