Dear ICC Nominating Committee Chairperson,

The Board of Directors of the Ohio Building Officials Association (an ICC chapter) have voted to endorse the candidacy of David Spencer, CBO, CBCO, ACO, for the position of President of the International Code Council (ICC).

Mr. Spencer has served the ICC membership for many years, recently as Vice President.

The members of the Ohio Building Officials Association have benefited greatly from David's service and leadership over the years enhancing the building profession and his willingness to continue to work for us and our membership. We were fortunate to have him attend a couple of our meetings over the past year.

The Ohio Building Officials Association supports David Spencer for the position of ICC President.

Sincerely,

Walter C. Moeller  
President  
Ohio Building Officials Association
