Re: Board of Directors Letter of Support

Dear Ms. Davis:

The International Association of Fire Chiefs – Fire and Life Safety Section is proud to recommend and support Battalion Chief Randy Metz in his candidacy for the Board of Directors of the International Code Council in October.

Chief Metz's dedicated work ethic and strong leadership qualities have served the ICC and the IAFC in an exemplary manner. He is well respected in his profession and would be a great asset to any organization. He has been a strong voice for the fire service and has consistently demonstrated a thorough understanding of the importance of codes and their impact on life safety and the resiliency of buildings.

In addition to his professional responsibilities, Chief Metz has provided assistance to both fire and building departments by coordinating outreach opportunities within his community. We believe his professional background, dedication, and experience will continue to serve and represent the ICC's membership in a positive manner while promoting its mission.

On behalf of the International Association of Fire Chiefs – Fire and Life Safety Section, we are honored to unanimously support his candidacy.
