RE: ICC President Nomination for David Spencer

Dear Chair Wich and Members of the Nominating Committee:

As President of the Chemeketa Chapter of ICC I am writing on behalf of our student chapter in support of David Spencer for nomination as ICC President at the 2024 Annual Business Meeting. David Spencer's nomination was discussed by the Chemeketa Chapter. Unanimous consensus was given to support David in his bid for election. We support David for the following reasons:

- David supports our student led chapter. He has attended chapter meetings.
- David keeps us informed of opportunities and changes happening at ICC.
- David is involved, engaged, and contributes valuable insights to our chapter.
- David is encouraging as we seek to become code professionals.
- David stresses the power of networking and getting involved in ICC activities, including Building Safety Month, Safety 2.0, and Emerging Leaders Council.

The Chemeketa Chapter of ICC is led and organized by students. We learn leadership and networking skills as we pursue a 2-year AAS degree in Building Inspection Technology. Training the next generation of code professionals is something David is passionate about and he has demonstrated this through his involvement with Chemeketa. We strongly and enthusiastically support David's candidacy for President of ICC.

Respectfully,

Heaven Doherty, Chemeketa Chapter ICC President 2024/2025
