SUBJECT: LETTER OF SUPPORT FOR REELECTION OF RANDALL METZ - ICC BOARD OF DIRECTORS SECTION A

Dear Michael,

On behalf of the San Diego Area Chapter of the International Code Council (ICC), which represents 20 jurisdictions in San Diego County, it is our pleasure to recommend Randall Metz for reelection to the ICC Board of Directors representing Section A. Randall has served the ICC Board of Directors for the past three years is eager to continue his dedication for service to the Board.

Randall's valuable experience includes service on various committees during his three-year term including the Budget Committee, the Investment, Mergers and Acquisitions Committee, and the Chairperson of the Bylaws Committee. In addition, Randall serves as the Board Liaison to the Ad Hoc Battery Energy Committee, Fire Service Membership Council, Region I and the California Chapters. This extensive leadership experience and long-standing commitment has given us the confidence that Randall is again the right person for the job.

There is no debate that Randall has the desire, experience, knowledge and leadership skills to continue to further serve and to continue to address the many issues that affect Building and Fire Code officials across the country and to find balance in which best serves this organization and its members at the local, state, and national levels.

Please reach out to me at (619) 600-8327 if you have any questions or care to discuss this letter of support and this Chapter's recommendation further.

Sincerely,

Julissa Garcia, C.I.D.
President
San Diego Area ICC Chapter

The mission of the San Diego Area Chapter of ICC is to:

Promote uniformity and consistency in the application of the building codes; and, *Promote* public health and safety through education and training programs and active participation in the code development process; and, *Promote* public awareness of the important role that building department services play in contributing to the quality of life in the San Diego Region.
