SUBJECT: Letter of Recommendation – Mr. Mike Boso.

Dear Nominations Committee,

Mr. Boso has decided to seek re-election to the ICC Executive Board for the position of Vice President. Mr. Boso has learned from his previous term and is ready to serve the membership in the capacity as Vice President. Mike has been actively involved in the Construction Industry for many years and during this time, his many experiences has prepared him to understand the various perspectives of building and fire services and understanding the importance of codes and laws that we code officials enforce and also educate contractors and citizens alike.

Mike has served on many different committees and boards and this experience will help him excel as he continues to serve ICC on the Executive Board.

Mike is respected in our industry. Mike is passionate and dedicated and devotes his time, energy and ideas to continue to further the advancement of code officials of all disciplines. Mike knows the value of membership and partnerships to be an invaluable and vital part of the success of ICC and each perspective from Building, Fire and the partners in private Industry should be heard and valued.

The Yosemite Chapter believes that Mr. Mike Boso will continue to thrive, learn, listen and help shape the future of ICC.

We are pleased to offer our Chapter's support to Mr. Boso as he seeks to be re-elected to the ICC Executive Board of Directors as Vice President.

Respectfully,

Brian Odom
President, Yosemite Chapter International Code Council
