International Code Council
900 Montclair Road
Birmingham, AL 35213

SUBJECT: Letter of Recommendation – Mr. Randy Metz

Dear Nominations Committee,

Mr. Randy Metz has decided to seek re-election to the ICC Board of Directors Section A position. Mr. Metz currently serves on the budget, the investment, and mergers and acquisitions committees and serves as Chairperson of the bylaws committee. His service on these committees has prepared him well to serve additional term, having now learned more information about the organization, combined with his extensive chapter leadership experience; Randy truly knows what is important to our membership.

Randy has been involved in the Fire Service for 32 years and heavily involved with the State and National Code Development process for 23 years and can represent all code officials well as the Section A Representative.

Over the past 20 years Randy has had the pleasure to serve the International Code Council at both the chapter and committee levels and has also had the opportunity to serve on the Southern California Fire Prevention Officers Board of Directors and the Region I Board of Directors with which he desires to expand his ability to serve by seeking re-election to the Section A seat at the 2024 Meeting in Long Beach CA.

Randy is dedicated and devotes his time, energy and ideas to continue to further the advancement of code officials of all disciplines. Mr. Metz knows the value of membership and partnerships to be an invaluable and vital part of the success of ICC and each perspective from Building, Fire and the partners in private Industry should be heard and valued.

The Yosemite Chapter believes that Mr. Randy Metz will continue to thrive, learn, listen and help shape the future of ICC. We are pleased to offer our Chapter's support to Mr. Metz as he seeks to be re-elected to the ICC Board of Directors Section A Position.

Sincerely,

Brian Odom
President, Yosemite Chapter International Code Council
