RE: 2024 Nominating Committee Candidate Consideration

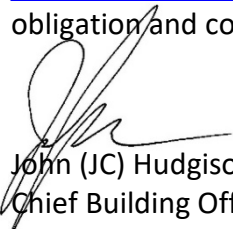

Distinguished Members of the Nominating Committee,

This letter is my formal intent to seek election to the International Code Council Board of Directors during the 2024 Annual Business Meeting in Long Beach, California. I have been humbled to be appointed to the Board in July of 2024 and submit this letter of intent to continue my service to the members of the International Code Council.

The jurisdiction I represent fully supports my efforts to seek re-election, understands the impact the International Code Council has on our society, and approves of my continued service at the highest level of this organization.

For your review, I have attached a copy of my resume which describes my history in the building industry. I have more than 18 years of experience in the fields of architecture, construction management, building code, and enforcement. Over these years, I have boiled down my passion for helping people within the built environment. Whether it was assisting in the design of a new house, project management for a new fire station, or regulating the permitting, I wholeheartedly believe in building safety and protecting people during all their interactions with the built environment.

I honor the opportunity to continue representing the members of the International Code Council on the Board of Directors. Please feel free to contact me at (813) 614-3058 or jc.hudgison@tampagov.net. I would appreciate the opportunity to further explain my personal obligation and commitment to building safety, which motivates me every day.

John (JC) Hudgison
Chief Building Official – City of Tampa, FL
