Mr. Michael P. Wich, Chair

ICC Nominations Committee

Dear Mr. Wich,

I am writing to express my strongest recommendation for John (JC) Hudgison for a position on your ICC Board of Directors. I have had the pleasure of knowing John since 2021. I have consistently been impressed by his professionalism, dedication, and leadership qualities.

JC possesses abundant knowledge of the Florida Building Codes and the state regulations. He is a very skilled communicator. He also is very involved at a state level with the Building Officials Association of Florida and partakes in its various committees. JC is currently the President of the Suncoast Chapter of the Building Officials Association of Florida (BOAF) and a member of the BOAF Legislative and Code Development Committees.

At the national level through ICC, he has been the Past Chair of the ICC Emerging Leaders Membership Council (ELMC), Past Chair of the 2024 IECC Residential Energy Code Consensus Committee, member of ICC Foundation Board, ICC Ad Hoc Committee on Diversity, Equity, and Inclusion, and the ICC Codes & Standards Council. JC has been recently selected to serve on the Board of Directors for the National Institute for Building Sciences (NIBS). NIBS is an independent 501(c)(3) non-profit, nongovernmental organization that supports advances in building science and technology. JC is a recipient of the ICC's prestigious Emory R. Rodgers Leadership in Building Safety Fellowship.

JC holds a master's degree in public administration and a bachelor's in architecture & design. He is also a Certified Building Official and a Certified Floodplain Manager.

His dedication to the built environment extends well over 18 years.

John is a highly motivated and results-oriented individual with a strong work ethic. He is also always willing to go the extra mile to help his colleagues. I am confident that he would be an asset to the ICC Board of Directors, and I enthusiastically endorse his candidacy.

Please feel free to contact me if you have any questions.

Sincerely,

Luis Hernandez

Assistant Building Official

City of Fort Lauderdale
