Dear Chairperson Wich,

As president of the New York State Building Officials Conference (NYSOC), I am writing to express my support of Mike Boso for Vice President of the International Code Board of Directors.

New York State of Officials Conference, Inc. (NYSBOC), represents building officials across New York State. Their mission is to expand the knowledge of the role and responsibilities of the building official through mutual exchange of experiences in the field of inspection and construction in housing and public safety, to properly interpret and enforce the various building codes and ordinances; and to make recommendations, based on experience, to the State's Building Codes Departments and Divisions. Presently there are eighteen (18) chapters in NYSBOC, namely; Capital District, Central New York, Columbia Greene, Finger Frontier, Northern Adirondack, Ontario County, and Western Southern Tier Building Officials. NYSBOC now has approximately 2,000 members.

Mr. Boso is an honorary New York. Mr. Boso has visited New York more times that I can count. Mr. Boso has attended several NYBOC local chapter conferences since his first run for a Member of the International Code Council Board of Directors. He is always willing to hear our advice and concerns and promptly provides answers to any questions we have posed. Mr. Boso is extremely responsive and a strong advocate to the ICC and its members. NYSBOC is looking forward to continuing working closely with Mr. Boso throughout his ascent to presidency.

Thank you for the opportunity to support and recommend Mr. Mike Boso for Vice President of the International Code Council.

Sincerely,

Sal Pennelle

New York State Building Officials Conference
