Michael Wich, Chair
ICC Nominating Committee
c/o Will Coffman
International Code Council
900 Montclair Road
Birmingham, AL 35213

Dear Chair Wich,

I write to express my support for Steven McDaniel, Code Enforcement Officer for the City of Corning, for the position of Treasurer/Secretary on the International Code Council (ICC) Board of Directors.

Steven's extensive experience and numerous accomplishments in code enforcement and public safety are both impressive and commendable. He has effectively led the Code Enforcement Office in Corning: crafting local laws for fire prevention and building codes, consulting on zoning ordinance revisions, and assisting in the development of a Drinking Water Protection Law. He also notably implemented a new fire inspection program that helped his fire department achieve an ISO Class 2 status—the highest ranking in New York State.

In addition to his regulatory contributions, Steven has demonstrated his acumen in public relations, while embracing new technologies to further promote public safety. I believe that his contributions and proven track record render him to be an ideal candidate for this role within the ICC Board of Directors. Please give his candidacy your full and fair consideration, consistent with applicable statutes and regulations. Should you have any questions, please contact my Clarence District office at (716) 547-6844.

Sincerely,
