Re: Letter to Support Randy Metz for Section A

Dear Chairman Wich:

We are writing to you today to express our strong support for Randy Metz for reelection to the position of Section A seat on the International Code Council's Board of Directors. We feel Mr. Metz will remain an outstanding member of the Board of Directors.

Mr. Metz has dedicated his career to advancing public safety through fire prevention efforts and promoting fire and life safety by supporting the I-codes and code development process. While he continues to be an active leader in our association, his mentorship and advice have become an invaluable asset to Fire Prevention Officers throughout the entire State of California. His continued commitment to serve on the ICC Board of Directors will benefit all.

Our process to endorse candidates includes reviewing candidates' involvement in ICC, active participation with their perspective local chapters, achievements, vision for the future, and ability to lead and motivate others to engage. We have reviewed Mr. Metz's resume, credentials, and his performance as an active member of ICC. We believe his experience and dedicated leadership will be an asset to the Board of Directors and the organization.

Please accept this letter as our support for Randy Metz for the position of Section A seat on the International Code Council's Board of Directors
