Re: Board of Directors Letter of Support

Dear Mr. Wich:

On behalf of the Board of Directors of the Washington State Association of Fire Marshals, we are writing to you today to express our support for Randy Metz for Section A Director on the International Code Council's Board of Directors. Randy is an active member of the IAFC Fire & Life Safety Section, as well as the California Fire Prevention Officers, where he served as President of the Southern California Chapter in 2015. He currently serves as co-chair of the Legislative Committee and as a member of the Southern California Code Development Committee. Randy currently serves ICC as the Chair of the Fire Service Membership Council representing IAFC Western Chiefs and as a two term member of the International Fire Code Development Committee. Randy received the coveted William E. Fox award from the Southern California Fire Prevention Officers in 2018 which exemplifies outstanding efforts and development in the field of fire prevention, as well as the Fire Official of the Year Award in 2018, presented by the California Building Officials.

Randy has been involved at the local, regional, state and national level for many years and we feel he will be a great asset to the ICC Board of Directors. Please accept this letter as our support for Randy Metz as the Section A Director on the ICC board of Directors.

We appreciate your time and your help in this.

Respectfully,
