Re: Letter of Recommendation for Marshal Sean P. Toomey

Dear Mr. Wich,

On behalf of the New Hampshire Department of Safety, it is with great enthusiasm that I recommend Sean P. Toomey in his intent to seek a position on the International Code Council board of directors. I have had the privilege of observing Marshal Toomey's professional growth and remarkable contributions to the State of New Hampshire over the past six years.

Marshal Toomey has been serving New Hampshire as the State Fire Marshal for the past three years and has been a full-time member of the NH State Fire Marshal's Office since March 2018. Marshal Toomey is a dedicated member of New Hampshire's safety leadership team, and holds extensive knowledge in building safety, fire codes and fire investigations.

Marshal Toomey has been an active member and is the current Chair of the ICC Fire Service Membership Council. As a leader in the development and enforcement of building and fire codes for our state, the value in holding a partnership with the International Code Council through this opportunity will be twofold.

I know Marshal Toomey will bring value to the International Code Council and would be an excellent addition to the Board of Directors.

Respectfully,
