Re: Support of Sean Toomey, Board of Directors

Michael Hagan
*Assistant
Treasurer/Secretary*
City of Keene

Dear Chair Wich,

Rob Deschenes
Director
Town of Jaffrey

On behalf of New Hampshire Building Officials Association (NHBOA), we express our support for Sean Toomey for a three-year, At Large term to the International Code Council's Board of Directors.

Everett Hodge
Director
Town of Chichester

Sean has a distinguished career as a fire protection engineer also serving many years in the fire service before becoming the NH State Fire Marshal. Sean has a long history in NH, working alongside NHBOA, advocating for up to date code adoption that includes several editions of the International Code Councils family of codes. Sean's mix of experience with the ICC codes and NFPA codes provides him with a broader view that will benefit the Board of Directors and any committees he will serve in the code development and adoption process.

Robert Wentworth
Director
Town of Derry

NHBOA unanimously supports Sean Toomey to the International Code Council's Board of Directors, for a three-year, At Large term.
