RE: ICC BOD Candidate Endorsement – Sean Toomey

On behalf of the Oregon Permit Technicians Association (OPTA), we wish to support Sean Toomey's candidacy for the ICC Board of Directors.

Sean served several years on the State of New Hampshire Building Code Review Board, New Hampshire Fire Prevention Society Board and the New Hampshire Association of Fire Chiefs Board. Mr. Toomey is currently serving as the Secretary/Treasurer of the National Association of State Fire Marshals, is a member of the Society of Fire Protection Engineers Fire Service Subcommittee, a member of the FM Fire Service Advisory Group, and the Chair of the International Code Council Fire Service Membership Council. His service of engineering with the Fire Department, shows a continuing commitment to life safety which will be beneficial to ICC's leadership.

In conclusion, OPTA feels Sean's experience shows he will be beneficial to the vision, mission and values of ICC. This would improve relationships across all building and fire safety professionals to achieve safe buildings. OPTA proudly endorses his candidacy and urges the committee to recognize his exceptional qualifications.

Thank you for your time and consideration.
Respectfully,

Serena Locke
