Dear Chairman Wich -

I write to strongly endorse Steven L. McDaniel and his nomination and election to the International Code Council Board of Directors' Secretary/Treasurer position in your coming election.

As the New York State Senator for the 58th District, I appreciate the importance of New York State being well represented on your important Board, which Steven has done as a Director at Large for the past five years, serving on the Audit, Bylaws, Council Policy, Resolutions, cdpAccess, Honorary, School Safety and Security, Investments, Mergers and Acquisitions, Professional Development Council committees, as well as chairing the Awards Committee in 2022.

Professionally, he is the Building Official for the City of Corning, New York with more than 28 years of experience, including receiving recognition from the New York State Building Officials for his efforts in code development by naming him Code Official of the Year. In addition to being a certified NYS Code Official, he is a Certified Professional Code Administrator and a New York State certified Code Enforcement Instructor who has been teaching for more than two decades.

I urge you and the Board of Directors to give Steven strong consideration for the Secretary/Treasurer position on the ICC Board of Directors. Thank you for your consideration.

Respectfully,
