Stuart Tom
2024 Nominating Chair
c/o Will Coffman, Corporate Governance Associate
International Code Council
Eastern Regional Office
900 Montclair Road
Birmingham, Al 35213

Dear Mr. Tom:

I hereby submit my letter of intent for reelection for Director-at-Large office of the International Code Council Board of Directors. I hereby request an interview with the Nominating Committee prior to the 2024 Annual Business Meeting, October 21, 2022, in Long Beach, California.

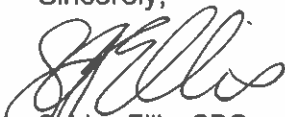

The ICC is the world leader in the areas of safety, health, and environmental regulations in the built environment and I believe I have the experience, and skills to strengthen and enhance the mission of this organization. If re-elected by our membership, it will be a privilege to continue my service to this organization.

I believe my years of service as an ICC Director have been an asset to the ICC Board and its membership. In my 8 years I have served on the following committees: Budget, Resolutions, Audit, Awards (Chair), Honorary Member, Bylaws, CEO Evaluation, and Council Policy Review. I have the honor of the liaison to the PMG Membership Council and in the past the Global and Sustainability Membership Councils. My state and regional liaisons have been with Texas, Oklahoma, Kansas, Nebraska, Washington, Oregon, Idaho, and Region X.

I have enclosed copies of my resume and my bio for review by you and the members of the Nominating Committee. Along, with these documents, I am submitting a letter of jurisdictional support from my current employer, the City of Gonzales, Texas.

Please accept my sincere thanks for your time and consideration of my request.

Sincerely,

Shirley Ellis, CBO
Building Official
