Re: Letter of Support- Mr. Michael Boso

Dear Chairman Wich,

On behalf of STBOA, I offer our continued trust and support to the candidacy of Michael Boso, for election to the International Code Council Board of Directors as Vice President.

Mike has served the ICC in a multitude of positions over the course of the last decade and has served on numerous Boards and Committees within the State of Ohio. We realize and appreciate Mikes commitment to the Code and Code Officials in the Code Enforcement profession.

It is my hope, and that of STBOA, that Michael will continue to serve the ICC in the capacity as Vice President where he can continue his devotion to code professionals and to code development everywhere.

Sincerely,

**William Knickerbocker**
