Re: Letter of Support- Mr. Steven L. McDaniel

Dear Chairman Wich,

The Southern Tier Building Officials Association (STBOA) is a chapter of the New York State Building Officials Conference (NYSBOC) as well as, a chapter of the International Code Council (ICC). Accordingly, and on behalf of STBOA, by approval of its members we offer our continued and unwavering support to the candidacy of Steven L. McDaniel, CPCA, for election to the position of Secretary/Treasurer on the ICC Board of Directors.

Steve has dedicated his service as at large member to the ICC Board of Directors for the last five years. Steve is a past President of both STBOA and NYSBOC and has served on numerous committees within New York State and the ICC, including Chairman of NYSBOC's Code Development Committee, and Codes Coalition. For 30 years, I've known Steve to be a driving force for code development, administration, education and most recently legislation. Steve's one of the "old guard", and the go to person for complex issues. He's a "boots on the ground" type of guy who through hard work and determination has proven to be a highly respected code enforcement professional. I am personally thankful for the things he has accomplished for our members and the entire New York State region. I like many have no idea where he finds the time but am grateful that he is willing.

It is my personal belief, and that of STBOA, that Steve will continue to serve as a tireless paced professional in representation of the ICC and continue his devotion to code professionals and to code development everywhere.

***Please accept our pledged endorsement of Steven L. McDaniel.***

Sincerely,

William Knickerbocker  
President
