BIOGRAPHICAL RESUME

Steve is the Building Official for the City of Corning, New York with over 28 years of experience. Steve is also a consultant with Studio Mosaic Architecture which provides design development and drafting service, code review and project analysis. Steve is a past president and active member of the New York State Building Officials association, where he served on Legislative, Code Development and Disaster Assistance, as well as dedicated over a decade of service on the Board of Directors. Steve is a workhorse and quite often you will hear his colleagues say “I don’t know how he has time to do it all”

Steve’s service includes several New York State technical committees. It includes ICBO code development committees and certification committee, ICC Existing Building Code Interpretation Committee, ICC Building Code Action Committee (BCAC). He is a past chair of the ICC Existing Building Code Committee and past vice chair of the ICC Building Code Committee. He participates on many national and local committees and assists in State and local code adoption issues. In 2015, Steven received recognition from the New York State Building Officials for his efforts in code development by awarding him with “Code Official of the Year”.

Steve was elected to the ICC Board of Directors in 2018 and has served on several ICC Board committees including; Audit, Bylaws, Council Policy, Resolutions, cdpAccess, Honorary, School Safety and Security, Investments, Mergers and Acquisitions, Professional Development Council, and was the chairman of the Awards in 2022.

Steve has served as a Board liaison to ICC Evaluation Services, the Coalition for Current Codes, and the committee for Technology & Digitization. Steve has served as liaison to the states of Arkansas, Connecticut, Delaware, Illinois, Indiana, Maine, Massachusetts, Missouri, New Hampshire, New York, Pennsylvania, Rhode Island, Vermont, Washington D.C. and ICC Region’s VI, IX and X.

Steve is a founding member and current secretary of the International Residential Code Fire Sprinkler Coalition, an organization who’s mission is to promote the health, safety and welfare of the public and emergency responders by supporting the installation of fire sprinklers in residential buildings. In 2010 this organization was featured in Fire Protection Contractor Magazine as “Organization of the Year”

Steven graduated high school from Canisteo Central School in 1991, and from Alfred State College with a degree in Building Construction. Steve is an ICC Certified Building Plans Examiner, ICC Certified Building Inspector, ICC Certified Commercial Building Inspector, ICC Certified Residential Building Inspector. Steve is a certified New York State Code Official, a Certified Professional Code Administrator and a New York State certified Code Enforcement Instructor and has been teaching for more than 20 years. Steve is a self taught computer programmer and has developed software for programs with clients in the US, Puerto Rico, New Zealand, Indonesia, Canada and Australia.

In addition to his dedication to the built environment, Steve is an avid outdoors man, hunter, tournament fisherman and boater. Steve received his Merchant Mariners Credentials from the United States Coast Guard in 2011 and is a licensed Captain.
