Dear Michael Wich,

I am writing to endorse Steven McDaniel for the position of Secretary-Treasurer on the ICC Board of Directors for 2024-2025. Having worked closely with Steve for the past few years, I can confidently say that his exceptional qualifications, extensive experience, and deep commitment to the construction industry make him an ideal candidate for this role.

With over 25 years of experience in the building industry, Steve has demonstrated an unwavering dedication to advancing safety standards while ensuring practical, real-world applications. He has consistently shown an understanding of the balance between stringent safety measures and the need for flexibility to accommodate innovation and regional diversity in building practices. His ability to engage with stakeholders—industry professionals, regulatory bodies, or the public—demonstrates his strong leadership and collaborative approach.

I firmly believe that Steve's appointment to the Secretary-Treasurer position would greatly benefit the ICC Board and the broader construction industry and will further the ICC's mission and goals.

Should you have any further questions, please do not hesitate to contact me at mfazio@nysba.com or 917.612.4799.

Sincerely,
Michael Fazio
