Subject: Notice of intent to run for ICC President for the 2023-2024 term

Dear Ms. Davis,

In accordance with Council Policy 20, I hereby declare my intent to run for the ICC President seat of the Board of Directors of the International Code Council. Since election to the Board in 2015, I have enjoyed the privilege of serving the organization as a director. My ability to assist the Board in guiding and framing our organization's future has been shaped by my opportunities to work with our fellow directors and Senior ICC staff.

I look forward to the opportunity to continue my service with the ICC Board of Directors, and I equally look forward to facing the challenges ahead for our organization.

Respectfully,
