RE: ICC President Nomination

Dear Chair Davis, and Members of the
Nominating Committee:

The Southern Oregon Chapter of the International Code Council is pleased to express our overwhelming support in favor of endorsing Mr. Stuart Tom for the position of ICC Board President at the 2023 Annual Business Meeting in St. Louis, MO.

In reviewing Stuart's credentials, resume, and past involvement with the ICC organization and the industry, we are confident that he understands the issues facing the International Code Council and Code Officials nationwide.

Stuart has collaborated with building and fire officials, architects, and engineers over the years to develop effective model codes. He was selected as building official of the year in California in 2006, and again in 2009, and received the CALBO President's award in 2010. Stuart has served the ICC membership well as a Board of Director, Secretary/Treasurer, and Vice President.

We believe that Stuart Tom has shown uncompromising work ethic, dedication to this industry and a desire to provide the best possible work product in an ethical and responsible manner.

On behalf of the SOC-ICC Board of Directors and the entire SOC-ICC Membership, we are honored to support the candidacy of Mr. Stuart Tom for the ICC President Nomination.

Sincerely,

Steven Matiaco
SOC ICC
President
