RE: IDAHO PERMIT TECHNICIANS CHAPTER ENDORSEMENT OF STUART TOM

Dear ICC Nominating Committee Chair and Nominating Committee:

As a representative of the Idaho Permit Technicians (IDPT), I am very pleased to endorse the candidacy of Mr. Stuart Tom and his election to the 2023 International Code Council Board of Directors as President.

With his experience and previous terms on the Board of Directors and position of Building Official and Fire Marshal for his jurisdiction, Mr. Tom's involvement with the International Code Council organization represents his knowledge, commitment, and overall understanding of the various perspectives of the economic responsibilities of the ICC organization. His devotion to ensure that the organization will continue to grow and remain a leader in the industry is very apparent with all the dedication and hard work he has already contributed.

Being a continuous member of the Board of Directors of the International Code Council along with all his qualifications makes Mr. Tom Stuart the best candidate for this position. IDPT is confident that Mr. Tom's experience, intelligence, and dedication will make him successful as the President of the International Code Council Board of Directors.

Sincerely,

Bobbi Kaufman, President
