RE: ICC Board Nomination

Mr. Chair and Members of the Committee:

On behalf of the Washington Association of Building Officials (WABO), I am writing to support the election of Mike Boso of Grove City, OH to the ICC Board of Directors for the position of Vice President at the 2024 Annual Business Meeting.

Without question, Mike Boso's professional career and qualifications will continue to serve the ICC membership well. Our organization appreciates the value of Mr. Boso's commitment to communication and mentorship. We have come to know him as a dedicated Board member who has the best interest of ICC and code officials from around the country at heart.

We are very confident in Mr. Boso's abilities to professionally serve the membership of the International Code Council and therefore support his candidacy for the ICC Board of Directors. His lengthy experience in the enforcement community is critical, but just as important is his willingness to listen to the membership and be able to take the lead in this very important role. As ICC continues to evolve as a company with its' strategic goals, we feel that this skill set will continue to be an asset to the ICC Board of Directors. WABO believes that Mr. Boso's leadership is and will be of continued value to the organization and to its members.

Please accept our endorsement of his candidacy for the International Code Council Board of Directors Vice-President.

Sincerely,

Ray Cockerham, President  
Washington Association of Building Officials
