July 12, 2024

Mr. Michael P. Wich, Nominating Committee Chairman  
International Code Council, Birmingham District Office  
900 Montclair Road  
Birmingham, AL 35213

**RE: WASHINGTON STATE ASSOCIATION OF PERMIT TECHNICIANS (WSAPT) CHAPTER ENDORSEMENT**

On behalf of WSAPT, I am writing to offer our support for Mr. Randy Metz's reelection to the Section A seat on the ICC Board of Directors at the 2024 ICC Annual Business Meeting in Long Beach, California. Over the past three years, Mr. Metz has demonstrated exceptional leadership, dedication, and commitment to advancing the goals of the International Code Council.

As the current Section A Director, he has worked tirelessly to address issues affecting code officials nationwide, striving to find a balance that best serves both the organization and its members. His service on various committees, including the Budget Committee, the Investment, Mergers, and Acquisitions Committee, and as Chairperson of the Bylaws Committee, has provided him with invaluable experience and a deep understanding of the organization's impact.

In addition, Randy serves as the Board Liaison to the Ad Hoc Battery Energy Committee, Fire Service Membership Council, Region I, and the California Chapters. These roles have further prepared him for continued service, equipping him with extensive knowledge and insight into the needs and priorities of the ICC membership.

Mr. Metz's extensive chapter leadership experience, combined with his commitment to advancing the goals and values of the ICC at the local, state, and national levels, makes him an outstanding candidate for reelection. His dedication to the advancement of code officials of all disciplines is evident in his ongoing efforts and achievements.

We believe that Mr. Randy Metz's reelection will ensure continued progress and support for the ICC and its members. Therefore, it is with great pride that WSAPT endorses him for the Section A seat on the ICC Board of Directors.

Sincerely,

*Tela Gardner*

Tela Gardner, President  
Washington State Association of Permit Technicians
