Dear Mr. Wich, Mr. Coffman, and Committee Members:

The Wyoming Conference of Building Officials, Wyoming Chapter of the International Code Council, is pleased to endorse the candidacy of Mr. David Spencer. We support him for the position of President & Chairman of the Board for the International Code Council Board of Directors.

We have reviewed Mr. Spencer's resume, credentials, and years of service as the current Vice President, and long-standing service to the Code Council Board of Directors. We find that David demonstrates a deep understanding of the need for and importance of building safety, of the issues facing Code Officials as well as the Code Council, the overall financial health of the association, and the International Code Council vision as a whole.

We believe that David's vision, experience, and outlook will continue to lead the ICC into the future. In a unanimous vote, the Wyoming Conference of Building Officials fully supports Mr. David Spencer's election to the office of President for the International Code Council Board of Directors.

Respectfully,

Sean Collier
President: WCBO
