

ICC/ANSI A117.1-2008 Fourth Public Comments Draft

The Third Public Comments Draft was made available for public comment in October 2008 and received approximately 25 comments. The A117 Accredited Standards Committee considered these comments during their sixth meeting held January 5, 2009, which resulted in substantive changes to the draft standard. These changes have been compiled in the Forth Public Comments Draft dated May 2009.

Public comments are requested only on the strike-out/underline portions of the Forth Public Comments Draft. Portions of the Third Public Comment Draft not shown in the Forth Draft have not changed and are not subject to public comment.

Public comments deadline is July 5, 2009
