

ICC CODE TECHNOLOGY COMMITTEE

Day Care/Adult Care/Assisted Living – Study Group

At the December 1-2, 2005 CTC meeting, CTC established a Day Care/Adult Care/Assisted Living Study Group. The study group is comprised of the following individuals:

Steve Jones, CTC – Chair
Shahriar Amiri, CTC
Dave Collins, CTC
Marsha Mazz, CTC
Paul Tellez, CTC

At the February 2-3, 2006 meeting, the focus of the group was further refined to review the parameters below, not necessarily within the context of the code, but rather with a “clean sheet of paper” approach. The parameters are:

Age:

<2-1/2
>2 ½
Adult
Child

Use/Purpose:

Residential
Educational
Assembly
Care
Restrained
Disabled

Duration:

<24
>24
Hours of operation vs time of care for individual

Evacuation Capability:

Self – capable/not capable of self preservation
Assisted
Supervised
Physical/mental disability
None

Number:

<5
>5
>16
<100
No limit

Issues:

Fire safety
SFPE handbook as resource
