Notes from 1-9-2023 -

Discussion of 02-01-22 –

Proposal 02-01-22

Agree with coordination intent. Did not want to use ‘tiered seating’ or ‘bleacher type’ seating because of confusion in scope with IBC assembly seating. Agree with Option 3 - use just ‘seating’ and specify that this applies to all three types unless noted otherwise (Section 201.4).

As modified by Option 3 – 7-0

Reason: Using ‘seating’ provides clarity and consistency.

Discussion of 04-01-22 –

Committee proposed that the first sentence in Section 405.1 should read. Aisles shall be required in bleacher, folding and telescopic seating and grandstands in accordance with this section.

Section 405.1 Exception 2 – the proposed new exception is about access to an aisle, not an aisle, so this should be in Section 407.

Dan will have modifications by the Jan. 23 meeting.
