The purpose for this meeting is for the IS-LOG committee to consider:

- Review of work plan
- Discussion of public comments received before or at the March 19, 2021 deadline
- Adjudication of public comments.

A public input agenda will be updated with the committee action and posted on the IS-LOG website prior to each meeting.

This meeting is open to the public.

If you plan on attending, please contact Karl Aittaniemi, Committee Secretariat for call in information. Agendas, meeting minutes, meeting materials and all other documents can be found on the IS-LOG website.

The scope of the IS-LOG committee is to develop American National Standard ICC 400 to provide minimum requirements to safeguard the public health, safety, general welfare through design, construction and installation requirements for log and heavy timber structures.

TO ATTEND, AND FOR ADDITIONAL INFORMATION, PLEASE CONTACT:
