The purpose for this meeting is for the IS-OSMC committee to consider:

- Organization and preparation on the initial public draft with respect to:

Definitions  
Chapter 1 Admin  
1200 chapters  
1205 chapters

An agenda will be posted on the [IS-OSMC website](#) prior to the meeting.

This meeting is open to the public.

If you plan on attending, please contact Karl Aittaniemi, Committee Secretariat for call in information. Agendas, meeting minutes, meeting materials and all other documents can be found on the [IS-OSMC website](#).

**The scope of the IS-OSMC committee is to create American National Standards ICC 1200 and ICC 1205 to provide minimum requirements to safeguard the public health, safety, general welfare and address societal and industry challenges in multiple facets of the off-site construction process including: planning, designing, fabricating, transporting, regulating and assembling commercial and residential building elements. These Standards are intended for adoption by government agencies and organizations for use in conjunction with model codes to achieve uniformity in the planning, designing, fabricating, transporting, regulating and assembling commercial and residential building elements of off-site and modular construction.**
