---

## **- MEETING NOTICE -**

---

---

**In-Person Meeting**  
**Rosen Shingle Creek Resort, Orlando, FL**  
**9939 Universal Blvd, Orlando, FL 32819 (866) 996 – 6338**  
**Room rate \$ 249 (ask for MBI rate, cut-off date is February 22nd)**

**March 11: 11:30 am – 4:30 pm ET**  
**March 12: 10:30 am – 1:30 pm ET**

The Modular Building Institute will host the ICC/ANSI 1200 and 1205 Standards Committee meeting on Wednesday, March 11th from 11:30am-4:30pm and on Thursday, March 12th from 10:30am-1:30pm. The meeting will take place at the Rosen Shingle Creek Resort in Orlando, Florida in conjunction with MBI's World of Modular Annual Conference & Tradeshow. Committee members and interested parties do not have to register for World of Modular to attend the ICC Standards Committee meeting. Please note however that separate registration is required to participate in World of Modular events, sessions, and receptions. A limited number of one-day-pass scholarships are available from MBI for any building code or public official wanting to participate in World of Modular. Travel and lodging to be covered by the attendee. ICC travel reimbursement policy would apply for the governmental committee members. For more information about the one-day-pass, please email [jon@modular.org](mailto:jon@modular.org).

**Tentative agenda:**

**Welcome and Introductions**  
**Approval of previous meeting minutes**  
**Work groups update to the committee**  
**Construction of the initial working documents**  
**Work plan review**  
**Next Meeting**  
**Other Business**  
**Action Items & Summary**

The purpose of these standards are to provide minimum requirements to safeguard the public health, safety, general welfare and address societal and industry challenges in multiple facets of the off-site construction process including: planning, designing, fabricating, transporting and assembling commercial and residential building elements as well as regulatory issues. These standards are intended for adoption by government agencies and organizations for use in conjunction with model codes to achieve uniformity in the planning, designing, fabricating, transporting and assembling commercial and residential building elements as well as regulatory issues of off-site and modular construction.

All meetings are open to the public.

A final agenda to be posted on the committee webpage prior to the meeting.

An ICC webpage dedicated for posting committee related agendas, meeting minutes, meeting materials and all other documents is available to the committee and the public. <https://www.iccsafe.org/products-and-services/standards/is-osmc/>
