

CSA/ICC JOINT CONSENSUS COMMITTEE ON RAINWATER COLLECTION SYSTEM DESIGN AND INSTALLATION (IS-RCSDI)

The third meeting of the Joint ICC/CSA Rainwater Collection System Design & Installation Consensus Committee (IS-RCSDI) will be held August 13-14, 2014 in New York City, New York, USA

- MEETING NOTICE -

This meeting of the IS-RCSDI will be held at the following location on
Wednesday, August 13th, 8:30 am–5:00 pm EDT
Thursday, August 14th: 8:30 am–2:00 pm EDT

Meeting Location

Jaros, Baum & Bolles
80 Pine Street
New York, NY 10005
(212) 530-9409

Lodging

Holiday Inn Express
Wall Street 126 Water Street,
New York, NY 10005
Call 888-381-4311 for rates and availability
(See below for walking directions)

The purpose of this meeting will be for the IS-RCSDI consensus committee to review the progress and draft material from task forces, and begin assembling the standard document. The tentative agenda will be posted on the [ICC Project Website](#). The meeting is open to the public, but guests are requested to notify [staff](#) in advance to ensure adequate meeting space can be provided.

The Consensus Committee (CC) on Rainwater Collection System Design & Installation (IS-RCSDI) shall have primary responsibility for the development of minimum requirements and standards for the design, construction and maintenance of rainwater collection systems to safeguard public health, safety and general welfare. Relevant requirements contained in ICC and CSA model codes and standards, pertaining to these devices shall be incorporated into the standards developed by the IS-RCSDI.
