3. Administrative –

- Please remember to register if you want to watch and of the code change proposals. The times listed on the spread sheet for ICC 500 and related proposals are only approximate.

4. Code change proposals

- FS85- ICC 500 proposals; support floor modification (7-2) to add 'side hinged and pivot' in a floor modification
- G94 – support
- G95 – neutral (some committee members felt that travel distance should not be set on a critical facilities site)
- G96 – support with proposed floor modification (5-2)
- G97 – neutral (7-0); watch for possible public comment
- G98 – neutral; give suggested floor modification with exception for new building on an existing site to McGee
- PM11 –support
- PM22 – support with floor modification (7-0)

5. New business – none

6. Next Conference Call: TBD – after code change hearings

7. Adjourn: 5:00 p.m.
