

**Resolution Adopting of the Vote for Your Codes Initiative**

October 23<sup>rd</sup>, 2019

**WHEREAS**, cdpACCESS allows our membership to take part in the Code Development process from anywhere in the world; and

**WHEREAS**, every member of the International Code Council is afforded the opportunity to have their voice heard; and

**WHEREAS**, it is a goal of the Safety 2.0 initiative to engage with the next generation of Code Officials through modern approaches of administration of the Code; and

**WHEREAS**, Safety 2.0 is the foundation for the future of building careers for today's generation and the future leadership of ICC; and

**WHEREAS**, the Vote For Your Codes campaign offers a tangible way to engage the membership and encourage deliberation that results in a strong and representative series of codes;

**NOW, THEREFORE, BE IT RESOLVED**, by these representatives that all ICC Membership Councils chose to engage their members in Vote for Your Codes campaign on this day October 23<sup>rd</sup>, 2019.
